Player Transfer Policy

Findlay Soccer Club has developed the following policy in accordance with OYSAN policy on player transfers. This policy applies to any player who wishes to transfer to another team (outside of FSC) once they have been carded with FSC.

Please note, transfer requests do not need to be completed after the spring season during open tryouts which are held in June of each year to play for another club.

Process

First fill out a player transfer form which can be found on OYSAN's website www.oysan.org. Then turn in the completed form to the FSC Operating Committee for review. The request must be accompanied with \$50.00 fee for player transfer. This fee will pay for any league expenses to remove a player.

Once received FSC will review the request and make a determination. Each request will be handled separately and on a case by case basis. FSC will take into consideration the following factors, but not limited to only these factors:

- Reason given by player for transfer
- Impact to remaining team
- Proper submission of paperwork and fees

All player transfer request shall be submitted by July 31st for the fall season and by January 31st for the spring season.

All requests may be sent to the following address:
